FISCAL ANALYSIS

ASSUMPTION

Officials of the **Department of Economic Development - Division of Professional Registration** stated that the proposal would not affect that agency.

Oversight notes that costs to political subdivisions would only be incurred in cases where a subdivision would try to reclaim a grave. There are no provisions requiring this.

FISCAL IMPACT - Small Business

No direct fiscal impact to small businesses would be expected as a result of this proposal.

DESCRIPTION

This proposal would allow counties and cities to revest cemetery property, other than ground in which human remains have been buried after 50 years if a grave site or property is unused or unclaimed. The political subdivision would have to give proper notice of proceedings to transfer ownership.

This legislation is not federally mandated, would not duplicate any other program and would not require additional capital improvements or rental space. This proposal would not affect Total State Revenue.
